FORSYTH COUNTY
BOARD OF ELECTIONS

Linda Hobbs
The Committee to Elect Molly Leight for City Council
516 South Main Street
Winston-Salem, NC 27101

Dear Ms. Hobbs:

The Committee to Elect Molly Leight for City Council submitted a Certification to Close Committee form to the Forsyth County Board of Elections on January 27, 2010. The Final Report for the 2009 Election year showed a balance of \$153.39 in the account. It was stated that the BB&T bank account had a zero balance and that the \$153.39 difference occurred as interest charges during the prior election cycle when the committee's funds were in a Wachovia account. Wachovia records are not available to be replicated in the disclosure reports. The State Board of Elections has allowed that the candidate or treasurer affirm that this has occurred and provide a copy of the BB&T bank statement showing a zero balance if possible.

Sincerely,

Judy J. Speas
